Living Waters Presbytery 2015-2016

These minutes have been very well done, with proper initials in corners of pages, signatures at the end of meetings by the Chair and the Secretary, or another signing authority. There were no spelling errors that I could find, all pages correctly ended with a line under the minutes if needed.

WELL DONE!

Northern Waters Presbytery 2015-2016

The minutes of Northern Waters Presbytery had been sent in but they did not have the time to sign or initial, because Conference wanted the minutes earlier than they usually do. They had no time to get all the signatures and initials on the pages of the Presbytery minutes. Some of the pages are signed.

I will list all the unsigned pages:

2, 5, 10, 12, 17, 22, 27, 33, 38, 46, 48, 50, 54, 58, 60, 62, 66, 69, 76, 77, 115, 129, 133, 140, 144, 147, 156, 162, 166, 168, 182, 184, 188, 190, 192, 199, 211, 227, 230, 268, 253, 262, 266, 275, 282, 292, 299, 301, 311, 314, and 315.

There was also no time to put lines across the space on the bottom of the following pages:

8, 14, 32, 40, 66, 80, 89, 100, 103, 109, 110, 111, 115, 119, 142, 170, 175, 206, 212, 217, 218, 219, 220, 221, 222, 232, 240, 242, 253, 273, 278, 285, 287, and 304.

Page 291, Motion #7 – there are no names for the motion.

South West Presbytery 2015-2016

These minutes have been well done.

An initial in the corner of page 2 is missing, and some signatures are missing from the Education and Students' Commission: Jessica McCrae, Chair, on pages 99 and 184, and Deanna Wilson, Chair, on page 399. On page 132 a line should be drawn across the bottom of the page because there is a blank space approximately one-third of the total page. There were a couple of other pages, 349 & 341, with some space showing at the

bottom; however, the amount of blank space was small enough that lines were not necessarily needed.

There were signatures missing on page 489 – from Chair, San Cha, and Secretary, Seok Soon Kanghair. There were very few signatures missing.

Toronto Southeast Presbytery 2015-2016

These minutes have been very well done.

Most of the minutes have been signed, and initials have been placed on the corners of the pages. Tom Clarke, in his Devotion on page 11, equated the gardening cycle to “church life”.

The minutes that have been unapproved yet will be finished and signed. The unsigned minutes are Finance and Property, Education and Students, Plenary and Pastoral Relations.
