cosburn - glen rhodes - eastminster  
a united church regional ministry

*East End United is a new regional ministry formed from three United Church congregations in the East End of Toronto. We are called to make a difference in people's lives and in our neighbourhoods.*

**We are seeking a full-time Maintenance Superintendent to manage and schedule the work of up to 5 custodians charged with the proactive maintenance, security, cleanliness, safety and upkeep of over 30,000 sf of facility space. This position is responsible for the smooth operation of all building equipment and systems and oversees the work of all external service providers.**

The successful candidate will have:

- Respect for the identity, values, goals and faith commitments of East End United and the United Church of Canada.
- Five years' building operations and maintenance experience in commercial setting. More specifically, good understanding of basic carpentry, plumbing, electrical, plastering, painting, boiler operation and rad heating.
- Strong customer service and written and oral communication skills.
- Experience in procurement, construction and staff supervision.

Use of an automobile would be an asset for our multi-site organization.

Compensation will be between \$45,000 and \$50,000 per year based on relevant skills and experience. Also, eligible for the United Church of Canada's benefits and pension programs.

Posting closes December 21, 2018.
